The main goal of the HCMB Food Pantry is to serve God by providing food to families in our church and our community. The Food Pantry is stocked with non-perishable foods by the members of the church. The food pantry will distribute food at a designated time. All recipients are required to complete an application form. The Head of Household is the only person authorized to pick up food for the family and must provide valid proof of identification. A valid State ID or Driver's License is the only form of identification that will be accepted. Life Changers Ministry will determine food distribution on a case by case evaluation.
